

Modernisation and expansion of the Oggiono local unit

Financed by the Regional Programme under the European Regional Development Fund (ERDF) 2021–2027 of the Lombardy Region
PR ERDF 2021–2027

Action: 1.3.3 “Support for SME investments”

Call: “INVESTMENTS – BUSINESS DEVELOPMENT LINE”

Beneficiary: CE2K S.r.l. SRL

Description: the project concerns the modernisation and expansion of the local unit located in Oggiono, Via Mognago 6, which will be dedicated to the production of AISI 316 stainless steel containers. Previously, these products were manufactured externally by mechanical workshops, with critical issues related to lead times and processing costs.

Specifically, the new project involves the conversion of an existing plant, the reorganisation and efficiency improvement of the production process, and the purchase of new Industry 4.0 machinery to strengthen the company's production lines.

Total investment: €430.000

Grant awarded or paid: €73.546,60
